

\_\_\_\_\_ (year) Player Pool Letter of Intent/Parental Permission Form

Player Name: \_\_\_\_\_

Phone Number: \_\_\_\_\_

Regular Season Team: \_\_\_\_\_ Division: \_\_\_\_\_ League/Assoc.: \_\_\_\_\_

League Age: \_\_\_\_\_

I, \_\_\_\_\_ (player) would like to be added to a “player pool” so that I might get to play some extra games at either my own level or the next level. I understand that this is my own choice and that I don't have to play any extra games if I'm called -- it will be my choice each time I'm called (no obligation just because I'm on the list). I understand that I can remove my name from this list later if I decide I no longer want to be a part of the player pool. I understand that the team managers also understand the player pool rules about “playing across” (same level) or “playing up” (next level) and that they'll be held responsible for following these rules. I understand that if I'm brought up for a game, I must play at least nine consecutive defensive outs and have at least one at bat, even if regular team players arrive late (no going to games and then not getting to play at all). I understand that I CANNOT PITCH in any game that I'm brought up/across as an extra player. I understand that I cannot miss my regular season team's game to play for another team playing at the same time. I understand that the reason for all of this is to have extra fun and may get some extra experience, while helping a team that doesn't have enough players to play that game.

I, \_\_\_\_\_ (parent/guardian signature) have read & understand the above and hereby give my consent for the above player to be added to this year's player pool for his/her division. I understand that all team managers in each league have been made familiar with both the LL rules and Cochranton-MidEast-Titusville conference byelaws regulating use of a player pool. I understand that I can feel free to ask a team manager any questions regarding the player pool at any time, and am assured that if my child is brought up/across for a game, that he/she will play at least minimum innings and at bats. Your child's participation will help teams with a temporary player shortage and hopefully provide extra playing time & experience.

I, \_\_\_\_\_ (regular season team manager's name) am aware that the above player has added his/her name to the appropriate player pool but should not be missing any of my team's games to play for another team. I have also familiarized myself with all “CMT Player Pool Rules & Byelaws” and pledge to follow them.
